

BRITTANY ADUSEI

2017 Grad Portfolio

Mission

The mission of this portfolio is to showcase the experiences and accomplishments that have shaped me as a student and a person overall.

Objective

To obtain a position within a company based on my acquired skills and experiences and be an asset to the company's growth and success.

Global student

Taking Spanish courses, Cross Cultural Psychology, and Cultural Diversity have made me a more global student by engaging in the issues and current events of other countries.
